## Grocery Foundation Voucher Program (GFVP)

The Voucher Program is a great way for student nutrition programs in Ontario to save on the cost of food. There are a variety of delicious foods to choose from that will provide kids with the nutrition they need to thrive each school day – all at half or below half of the retail price!

Starting September 2019, it is proposed that Vouchers will be purchased in bulk by Food & Friends with funding taken from Ministry of Children, Community and Social Service (Ministry). More details will be shared as they come available.

In an attempt to understand the needs of the programs please complete the following questionnaire:
