

School Letterhead

Dear Community Neighbour,

(YOUR SCHOOL) is participating in the 11<sup>th</sup> annual Help Kids Live Free from Hunger Campaign and we ask for your support.

On March 1<sup>st</sup>, the students at our school are being challenged to Live Free of something they take for granted, such as computers, tablets or treats, and donate a toonie to symbolize what they've committed to Live Free of for one day. 100% of the money raised through our campaign comes back to our (YOUR STUDENT NUTRITION PROGRAM NAME), bringing healthy food to hungry minds.

We are looking for community support and ask you to consider making a donation to our school's campaign. Donations can be made [online](#) or by contacting our school directly to make a cash donation.

Thank you for your time and generosity. We look forward to working with you to help ensure children and youth in our community hunger for knowledge and not for food.

If you would like further information about the Help Kids Live Free from Hunger Campaign or the Children's Foundation Food & Friends Program, please visit [www.childrensfoundation.org/what-we-do/food-friends](http://www.childrensfoundation.org/what-we-do/food-friends).

Sincerely,
