

Give up TO GiVe : Live Free Checklist

You've signed up for Help Kids Live Free from Hunger. Now what?

This campaign box contains material designed to help you run a successful campaign, including:

- Live Free Campaign Posters
- Live Free Promise Cards for each student and staff member.
- Live Free Postcards with a "tape a toonie" section

We have also added for you:

- Live Free and Food and Friends fact sheet for teachers.
- Sample announcement scripts.

For more materials, check out the Resources on our Live Free website: livefreecampaign.ca

Live Free Checklist:

- Provide staff with a copy of the Live Free fact sheet so they will be aware of the campaign and its purpose.
- Encourage teachers to include the concept of "living free" in their teaching. This will start discussions of what students might live free of.
- Use the school announcement scripts to remind students to live free and bring in their Toonies on March 1st or when you are doing your Live Free campaign.
- Make sure all students and staff fill out a promise card and place them on display in classrooms and in hallways.
- Live Free day is on **Friday March 1st** - ensure all toonies and donations are collected and placed back in the Live Free Campaign box.
- Please send your Live Free Campaign box with your Principal to the principal meeting date located on your box label. Children's Foundation staff will pick up the alternative education and agency programs' boxes. We will notify you of how much your school raised. A cheque will be handed out during the Food & Friends Spring Network meeting in April.

If you have any questions, please contact Jennifer Tasca at jennifer@childrensfoundation.org.
